Description

The FLX ThinLight Premium is a revolutionary way to light tight spaces that were formerly inaccessible. The sleek strip has uncommonly powerful Cree LED's and fits easily in many spaces that other lights cannot. Installation is accomplished simply by using two-sided tape and affixing the TLX ThinLight Premium where it is needed. The LED drivers can power up to six ThinLights using the dispatcher accessory (both sold separately). For peace of mind, the FLX ThinLight Premium includes a Three Year Worry-Free warranty. Add the TLX ThinLight Premium to your showcase and shelving systems to see how they pay for themselves from the added sales of more customers they attract to your merchandise!
