

# OPTILUX

COB LED TRACK LIGHTING

**KEY FEATURES:**

- ▶ Anti-glare
- ▶ High intensity: 1200Lm
- ▶ Adjustable track head
- ▶ Architectural design
- ▶ Interchangeable beam-angle reflector
- ▶ Weight: 1.1 lb

## DESCRIPTION

OPTILUX is an excellent choice for modernizing existing halogen or metal halide track lighting. With piercing intensity and minimal glare, OPTILUX can punch the light down from a 10 foot ceiling, illuminating jewelry showcases with maximum brightness. The understated, yet stylish design of the fixture will complement the look of any jewelry store.
